PRESENTATION TECHNOLOGY AT YOUR FINGERTIPS

Instantly present from your phone or tablet using the free App: WiFi-Doc. Available for both Android and iOS devices, WiFi-Doc gives you the freedom to move around the room, share ideas and connect with your audience like never before, to create a more collaborative experience for everyone. Use your device's touch screen to browse, flick between slides and pinch-to-zoom.

Keep up to date with the latest lesson plans and materials - simply email files to your device, open the attachment directly into WiFi-Doc and you'll be up and running in seconds.
