

PlayTime LED GAMING PROJECTOR PT100

Optoma
Projector Expert

BRING PLAYFULNESS TO LIFE

Enjoy widescreen entertainment from room to room

Enjoy maintenance-free, long-life LED technology

Enhance your favorite media with built-in sound and excellent color

Use analog connection to video game consoles, PCs, Blu-ray players, cameras, VCRs and more

The simple-to-use and feature-rich PT100 provides portable big screen fun and connects readily to game consoles, computers, video players and even hand-held devices. Project a 60-inch widescreen image onto a wall or ceiling from less than 10 feet away. Instant on/off and cool-running LED technology lets you easily move the entertainment at a moment's notice. The PT100's low power consumption is approximately 10 percent of a 42-inch LCD television's. Take this pint-sized projector with you and let the fun follow.
