# InfoComm 2007 New Projector Chart

Projectors are listed in order of weight, lightest to heaviest.

The following chart features new projectors that were on display at InfoComm 2007. Not all projectors that were on display at the conference are included, and some models are not yet available. Product specifications were provided by manufacturers and are subject to change. For more information on a specific projector, please contact the manufacturer.

	<p><b>VIEWSONIC PJ258D</b></p> <p>Weight: 3.9 pounds Display System: DLP ANSI Lumens: 2000</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (1-watt)</p>	<p><b>What's cool:</b> A built-in docking station for your iPod means you can present your media (and charge your iPod) through the projector.</p> <p><b>viewsonic.com</b></p>
	<p><b>CASIO XJ-S46</b></p> <p>Weight: 3.96 pounds Display System: DLP ANSI Lumens: 2500</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (1-watt)</p>	<p><b>What's cool:</b> Increased brightness plus a new four-color segment wheel should make a noticeable improvement in Casio's portable projector offerings, plus a USB port allows PC-free presentations.</p> <p><b>superslimprojectors.com</b></p>
	<p><b>PLUS TAXAN PS-120X</b></p> <p>Weight: 4 pounds Display System: DLP ANSI Lumens: 2500</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (.5-watt)</p>	<p><b>What's cool:</b> Wireless LAN for cable-free presentations, while the PS-125X model adds USB and SD memory card slots for PC-free presentations.</p> <p><b>plus-america.com</b></p>
	<p><b>DELL 1800MP</b></p> <p>Weight: 4.6 pounds Display System: DLP ANSI Lumens: 2100</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (2-watt)</p>	<p><b>What's cool:</b> Dual VGA inputs makes it easier to share the projector between presenters.</p> <p><b>dell.com</b></p>
	<p><b>MITSUBISHI XD470U</b></p> <p>Weight: 6.2 pounds Display System: DLP ANSI Lumens: 3000</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (2-watt)</p>	<p><b>What's cool:</b> Small footprint, plenty of inputs, instant shut off, and a recessed lens.</p> <p><b>mitsubishi-presentations.com</b></p>
	<p><b>EPSON POWERLITE 822P</b></p> <p>Weight: 6.4 pounds Display System: LCD ANSI Lumens: 2600</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (7-watt)</p>	<p><b>What's cool:</b> A built-in closed captioning decoder offers a low-cost solution for meeting part of Section 508 compliance.</p> <p><b>epson.com</b></p>
	<p><b>OPTOMA TX774</b></p> <p>Weight: 7.2 pounds Display System: DLP ANSI Lumens: 4000</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (2-watt)</p>	<p><b>What's cool:</b> Recessed controls and inputs makes this portable projector less susceptible to damage, and the built-in lens cap is just smart.</p> <p><b>optomausa.com</b></p>
	<p><b>HITACHI CP-X205</b></p> <p>Weight: 7.7 pounds Display System: LCD ANSI Lumens: 2200</p> <p>Native Resolution: XGA Native Aspect Ratio: 4:3 Speakers: 1 (7-watt)</p>	<p><b>What's cool:</b> The CP-X205 sports a high efficiency filter and easy access to the lamp, plus free networking and control software.</p> <p><b>hitachi.us/digitalmedia</b></p>
