

*If You like the TH1060P—**You will LOVE the New EH500 Data Projector**—from Optoma!*

The new EH500 Data Projector is here and it's more powerful than ever with higher lumens, Full 3D, and more input options than the classic favorite TH1060P. But the best part? This new projector, with all of these added features, is available for the same great price! The EH500's powerful 4700 lumens bright output, combined with an outstanding 10,000:1 contrast ratio, delivers amazingly bright presentations with vibrant colors and sharp, clear text and graphics. See for yourself—the EH500 is now available and shipping. The Optoma EH500— **Because Image Is Everything.**
